

OWLS

BAT

STAG

PINE MARTENS

BADGERS

They saw a fluttering bat,  
a cautious wild cat,  
and some badgers scratching the ground,  
a hedgehog, a hare,  
a fox by its lair  
and some haggis shuffling around;

STOAT

### ANIMAL IDENTIFICATION

In case you couldn't find them, here are the  
creatures that Flash and Iona spotted from the hide.

WEASELS

Two weasels, a mole,  
a stoat and a vole,  
three owls, a roedeer and fawn,  
Pine Martens playing,  
a distant stag braying,  
– then their eyelids closed until dawn.
